The President's Turn

I have little pressing news to report at this time, but I do want to urge each one of you to be aware of our ensuing specialty shows and to do your utmost to support your club in every way possible.

We will be meeting at the Prince William County Fairgrounds, the site of our shows, on Sunday, May 12th for an extensive overview of the grounds and the show facilities. (This will also be our annual meeting, where the next year's officers and board members will be elected. Following in this newsletter, Nancy will be listing the slate of nominees.) While last year's events were rousing successes, despite the small entry, there were a few glitches that came up which we want to be certain to eliminate this year. I hope you will be able to attend the "preview" meeting; if not, I implore you to attend the two day specialties to help out if need be. We always need another helping hand to ensure the shows run swimmingly.

And, whatever contribution you can make for the boutique table will be very appreciated. Kay Godowsky did a yeoman's job last year in setting up and running but because she has a maternity date this year Gwen Hales has volunteered to jump in. So if you have any articles that will reap in a few bucks for our treasury please bring them to Gwen at the meeting this month on the 21st or at the pre-show meeting on May 12th.

Nancy and Lacey will also be attending the AKC's first ever Companion Events Tournament in Perry, Ga. from April 26-28. There she will compete in all three venues - tracking, obedience and agility. Nancy is hoping for qualifying performances!!
