

Capital City Cocker Club, Inc.

Pre-Application Information

- The club normally meets on the third Wednesday of every other month, although sometimes other meetings are added based on need. At these general meetings, we discuss business and plan any events that may be forthcoming. We also occasionally schedule educational programs at these meetings.
- CCCC hosts several functions each year. We hold back-to-back AKC Specialty Shows with an Obedience Trial in May and a two day All Breed Agility Trial in the fall. We also sponsor an annual eye clinic which is held in December. In addition, we also host a "Fun Match". The Fun Match provides breed ring experience for puppies and some older dogs alike. In conjunction with the Fun Match, we also hold an obedience match. The Fun Match, usually held in late summer or early fall, also serves as a club picnic for two-legged and four-legged friends.
- There may also be additional functions during any particular year, planned at the discretion of the membership. We encourage all members and potential members to participate in these functions to ensure their success.
- The bylaws require that a potential member attend two club functions before an application is submitted.

When you have attended two club functions and are interested in becoming a member of the club, please fill out this form and forward it to the membership chairperson (shown below). You will then be sent a membership application. Please feel free to call or contact any member of the club if you have questions or need additional information.

1st Function attended _____ Date _____

2nd Function attended _____ Date _____
